Ferrero International S.A. – Third Parties Operations Financial Controller (12-month fixed-term contract)

Dear Ferrero Recruitment Team,

I am applying for the Third Parties Operations Financial Controller position (12-month fixed-term contract). Consolidating the monthly financial close for Third-Party Operations, analysing cost variances, supporting the budget and working with IT on controlling tools and dashboards is a step I would like to take from financial analysis and reporting in Luxembourg into corporate controlling.

My experience so far is in finance roles in Luxembourg. At AManco, Arendt's AIFM, I monitored the assets and valuation reports of five funds, produced the quarterly portfolio and valuation reports for the Board and analysed more than 20 deals, presenting the figures and the key risks to the Investment Committee. At UBS Fund Administration Services I validated more than 100 capital account statements and reconciled cash flows against the underlying documents. In my current role at Triton Investments Management SARL, a private equity firm, I work with the controlling and finance teams on a large portfolio of Luxembourg entities, including the sign-off of annual accounts.

I am particularly interested in the tools side of the role. I hold a Bachelor of Technology from the Indian Institute of Technology, I use SQL and advanced Excel, and at Triton I designed and built an AI automation tool that compiles, converts and files documents in one run; the whole team now uses it daily. I have not worked in FMCG or with SAP yet, but I learn systems quickly and I am used to turning data into clear insights for management.

I hold a Master in Management (Grande École) from EDHEC Business School, with a focus on corporate finance, and I am studying for CFA Level I. I am fluent in English and work in international teams every day. I live in Thionville and already work in Luxembourg; as a non-EU national I would need Ferrero's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
