Fundamentals S.A. – Corporate & Fund Accounting Associate (M/F)

Dear Fundamentals Recruitment Team,

I am applying for the Corporate & Fund Accounting Associate position. Your mix of fund administration, domiciliation and corporate secretarial services for RAIFs, SCSps, SOPARFIs and GPs matches the structures I have worked with in Luxembourg, and I would like to build my accounting career in an independent firm that covers the full life of these vehicles.

At UBS Fund Administration Services I worked on private equity and real estate funds, processing capital calls, distributions and transfers, reconciling investor positions and validating more than 100 Partners' Capital Account statements against the fund documents to fixed deadlines. At AManco, a EUR 10 billion AIFM, I analysed valuation reports, monitored private equity, real estate, private debt and fund-of-funds portfolios and produced the quarterly portfolio and valuation reports for the Board, which gave me a close view of how investments, valuations and NAV fit together.

At Triton Partners I now work in Corporate Governance for a large portfolio of Luxembourg entities: I coordinate year-end and board sign-offs with directors, auditors, law firms and banks, and I handled the end-to-end incorporation of 15+ Luxembourg entities with notaries and the controlling and finance teams, including the related RCS filings. I am comfortable in Excel and SQL and built an AI tool, used daily by the team, that compiles and files documents in one run. I hold a Master in Management from EDHEC Business School and an engineering degree from IIT, I am studying for the CFA Level I exam, and I am fluent in English.

I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation or visa from abroad is involved. As a non-EU national I would need Fundamentals' support for a Luxembourg work authorisation as a cross-border worker. I am available immediately and would welcome the opportunity to discuss how I could support your team.

Yours sincerely,
Raman Yadav
