Langham Hall Luxembourg – Legal and Transactions Officer – Private Equity

Dear Langham Hall Recruitment Team,

I am applying for the Legal and Transactions Officer – Private Equity position in Luxembourg. The role combines corporate and company secretarial work for private equity and real estate structures with fund transactions, investor records and KYC, which is exactly the mix of work I have done in Luxembourg, and I would like to build my career on the corporate and transactions side of fund administration.

In my current role at Triton Investments Management SARL, a private equity firm, I work on corporate governance for a large portfolio of Luxembourg entities. I prepare board minutes and resolutions and coordinate their signature, handled the end-to-end incorporation of more than 15 Luxembourg entities, liaising with notaries and the controlling and finance teams, and manage the related RCS filings. I also designed and built an AI automation tool that compiles, converts and files governance documents in one run; the whole team now uses it daily, which keeps company records complete and organised.

At UBS Fund Administration Services I worked in transfer agency and investor services for private equity and real estate funds. I processed investor activity, including subscriptions, transfers and redemptions, set up more than 150 investor records during the Credit Suisse–UBS migration and validated more than 100 Partners' Capital Account statements against the fund documents, so I am used to reading LPAs and keeping registers accurate. At Arendt Regulatory & Consulting I performed AML/KYC checks and PEP screenings on more than 50 individual and institutional investors, which gave me a good working knowledge of Luxembourg AML/KYC requirements for fund closings and onboarding. At AManco, Arendt's AIFM, I produced quarterly portfolio and valuation reports for the Board.

I have about two and a half years of experience across a private equity firm, a fund administrator, a consultancy and an AIFM. I hold a Master in Management (Grande École) from EDHEC Business School and a Bachelor of Technology from the Indian Institute of Technology. I am fluent in English, with beginner French and German, and available immediately. I live in Thionville and already work in Luxembourg; as a non-EU national I would need Langham Hall's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
