**Gen II Fund Services (Luxembourg) – Officer – Registration (CDD – 4 Months), OFFIC003461**

Dear Gen II Recruitment Team,

I am applying for the Officer – Registration position (4-month CDD) in your Investor Services Registration Department in Howald. Client due diligence, ongoing monitoring, sanctions screening and periodic KYC refresh for fund investors combine the two areas I have worked in most in Luxembourg: AML/KYC and transfer agency, and I could start immediately.

At Arendt Regulatory & Consulting I worked as a Financial Crime Consultant in AML/CTF advisory. I performed AML/KYC checks and PEP screenings on more than 50 individual and institutional investors, escalated high-risk entities for review, and contributed to the design and implementation of SARA, Arendt's AML/CTF risk-assessment tool, which cut review time by 40%. This gave me a solid working knowledge of Luxembourg AML/CTF requirements and of KYC for different entity types and structures.

At UBS Fund Administration Services I worked in private assets fund administration as part of the transfer agent and investor services team for private equity and real estate funds. I processed subscriptions, redemptions, capital calls and distributions, set up more than 150 investor records and their static data in UBS's CRM during the Credit Suisse–UBS migration, and validated more than 100 Partners' Capital Account statements against the fund documents. I understand the Registrar and Transfer Agent role, how KYC and static data must be in place before a closing, and how important accurate filing is for audits.

In my current role at Triton Investments Management SARL, a private equity firm, I work on corporate governance for a large portfolio of Luxembourg entities and designed and built an AI automation tool that compiles, converts and files documents in one run; the whole team now uses it daily. I would bring the same focus on organised, audit-ready files and on reporting to your CDD and ODD work.

I hold a Master in Management (Grande École) from EDHEC Business School and a Bachelor of Technology from the Indian Institute of Technology. I am fluent in English, with beginner French and German. I live in Thionville and already work in Luxembourg; as a non-EU national I would need Gen II's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
