BKN Capital S.A., Luxembourg – Fund Operations Officer

Dear BKN Capital Recruitment Team,

I am applying for the Fund Operations Officer position in your Client Service Management team. Processing capital calls and distributions, coordinating with administrators and depositaries, and preparing board meetings for alternative investment funds is work I have done across my Luxembourg internships, and I would like to do it end to end, from set-up to liquidation, at an independent AIFM such as BKN Capital.

At UBS Fund Administration Services I worked in private assets transfer agency and investor services. I processed subscriptions, redemptions, capital calls and distributions for private equity and real estate funds, prepared and validated more than 100 Partners' Capital Account statements and capital activity notices against fund offering documents, and set up more than 150 investor records in the CRM during the Credit Suisse and UBS migration. At AManco, Arendt's AIFM, I supported AIFMD Annex IV regulatory reporting and coordinated with service providers for eight institutional clients.

In my current internship at Triton Investments Management SARL I draft board minutes and coordinate the post-board sign-off of annual accounts across a large portfolio of Luxembourg entities, working with the finance team and auditors and following up until every item is closed. I have also handled the incorporation of more than 15 Luxembourg entities, including the related RCS filings, and built an AI tool, now used daily by the whole team, that compiles, converts and files governance documents in one run. At Arendt Regulatory & Consulting I performed AML/KYC checks and PEP screenings on more than 50 investors.

The posting asks for two to four years in the financial sector. My Luxembourg experience comes from about two and a half years of internships at a private equity firm, a fund administrator, a consultancy and an AIFM. I hold a Master in Management (Grande École) from EDHEC Business School, graduated in November 2025, and a Bachelor of Technology from the Indian Institute of Technology. I am fluent in English with beginner French and German, and I am available immediately. I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation or visa from abroad is involved. As a non-EU national I would need BKN Capital's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
