CSC, Luxembourg – Legal Relationship Officer (Associate Client Legal Administrator, req 17428)

Dear CSC Talent Acquisition Team,

I am applying for the Legal Relationship Officer (Associate Client Legal Administrator) position in Luxembourg. Administering private equity structures, coordinating board meetings and liaising with notaries is my daily work at the moment, and I would like to do it for CSC's Private Equity and Private Debt clients.

In my current internship at Triton Investments Management SARL, a private equity firm, I have handled the end-to-end incorporation of more than 15 Luxembourg entities, liaising with notaries and the controlling and finance teams, and managed the related RCS filings. I draft board minutes and coordinate the post-board DocuSign sign-off of annual accounts across a large portfolio of Luxembourg entities, following up with directors and advisors until every signature is in. I also built an AI tool that compiles, converts and files governance documents in one run, which the whole team now uses daily.

My earlier internships cover the KYC and client side of the role. At Arendt Regulatory & Consulting I performed AML/KYC checks and PEP screenings on more than 50 individual and institutional investors and escalated high-risk entities for review. At UBS Fund Administration Services I set up more than 150 investor records in the CRM during the Credit Suisse and UBS migration and processed subscriptions, redemptions, capital calls and distributions for private equity and real estate funds. At AManco, Arendt's AIFM, I supported relationships with eight institutional clients and coordinated with their service providers.

I hold a Master in Management (Grande École) from EDHEC Business School, graduated in November 2025, and a Bachelor of Technology from the Indian Institute of Technology. My Luxembourg experience comes from about two and a half years of internships at a private equity firm, a fund administrator, a consultancy and an AIFM. I am fluent in English with beginner French and German, and I am available immediately. I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation or visa from abroad is involved. As a non-EU national I would need CSC's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
