DO Recruitment Advisors, Luxembourg – AML KYC Analyst (Luxembourg investment firm)

Dear DO Recruitment Advisors Team,

I am applying for the AML KYC Analyst position you are recruiting for on behalf of a Luxembourg investment firm. Maintaining KYC documentation for a large portfolio of SPVs, keeping the RCS up to date and streamlining the workflow with automation and AI tools is a close match to what I have done across my internships in Luxembourg.

At Arendt Regulatory & Consulting I performed AML/KYC checks and PEP screenings on more than 50 individual and institutional investors and escalated high-risk entities for review. I also contributed to the design and implementation of SARA, Arendt's AML/CTF risk-assessment tool, which cut review time by 40%. At UBS Fund Administration Services I set up more than 150 investor records in the CRM during the Credit Suisse and UBS migration and validated more than 100 Partners' Capital Account statements against fund offering documents.

In my current internship at Triton Investments Management SARL I work across a large portfolio of Luxembourg entities. I have handled the end-to-end incorporation of more than 15 entities, liaising with notaries and the controlling and finance teams, and managed the related RCS filings. I coordinate the post-board DocuSign sign-off of annual accounts and drove the team's adoption of Claude, Copilot and Glean. I also built an AI tool that compiles, converts and files governance documents in one run, which the whole team now uses daily, so the automation side of this role is something I would enjoy.

I hold a Master in Management (Grande École) from EDHEC Business School, graduated in November 2025, and a Bachelor of Technology from the Indian Institute of Technology. I work at an advanced level in Microsoft Office, I am fluent in English with beginner French and German, and I am available immediately. I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation or visa from abroad is involved. As a non-EU national I would need your client's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
