EY Luxembourg – Withholding Tax Reclaim Assistant (Req. 1756757)

Dear EY Recruitment Team,

I am applying for the Withholding Tax Reclaim Assistant position in the Luxembourg International Tax group. Working with financial services clients, private equity structures and holding companies is where my experience lies, and I would like to build a career in tax on that foundation.

At UBS Fund Administration Services I worked in private assets fund administration as a transfer agent. I processed subscriptions, redemptions, capital calls and distributions for private equity and real estate funds. I also prepared and validated more than 100 Partners' Capital Account statements and capital activity notices against fund offering documents, which taught me to work precisely with investor-level data and documentation, the kind of detail a withholding tax reclaim depends on. At AManco, Arendt's AIFM, I evaluated more than 20 investment recommendations across private equity, real estate, private debt and co-investments and presented findings to the Investment Committee.

In my current internship at Triton Investments Management SARL, a private equity firm, I work on the corporate side of Luxembourg holding and financing structures. I handled the incorporation of more than 15 Luxembourg entities with notaries and the controlling and finance teams, managed the related RCS filings, drafted board minutes and coordinated DocuSign sign-off of annual accounts across a large portfolio of entities. I also built an AI tool, now used daily by the whole team, that compiles, converts and files governance documents in one run, and I would bring the same approach to repetitive reclaim and documentation work.

I hold a Master in Management (Grande École) from EDHEC Business School, completed in November 2025, with courses in corporate finance and private equity, and a Bachelor of Technology from the Indian Institute of Technology. I have about two and a half years of experience from internships at a private equity firm, a fund administrator, a consultancy and an AIFM. I am fluent in English with beginner French and German, and I am available immediately. I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation or visa from abroad is involved. As a non-EU national I would need EY's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
