Gen II Fund Services – Recruitment
22, rue des Bruyères, L-1274 Howald, Luxembourg

Thionville, 24 October 2026

Subject: Application for Officer 2 – Corporate Secretarial (OFFIC003655)

Dear Hiring Team,

I am pleased to apply for the Officer 2 – Corporate Secretarial position in your Corporate Administration team in Luxembourg. Drafting minutes and resolutions, organising board and general meetings, coordinating signatures and managing RCS and RBE filings is the work I do every day, and I would like to grow it within a fund administrator of Gen II's quality.

In the corporate governance team at Triton, I draft board minutes and coordinate the post-board DocuSign sign-off of annual accounts across a large portfolio of Luxembourg entities. I have handled the end-to-end incorporation of more than 15 Luxembourg entities, liaising with notaries and with the controlling and finance teams, and I managed the related RCS filings. I also built an automation tool that compiles, converts and files governance documents in one run, which the whole team now uses daily, so I care about accurate record-keeping and meeting closing deadlines.

My earlier internships give me a broad view of how Luxembourg fund structures work. At UBS Fund Administration Services I processed investor activity for PE and RE funds and validated more than 100 capital account statements; at AManco, an AIFM, I worked in portfolio management and valuation and presented to the Investment Committee; and at Arendt I performed AML/KYC checks on more than 50 investors. Altogether I have around 2.5 years of experience in the Luxembourg fund industry.

I hold a Master in Management from EDHEC Business School (graduated November 2025), and although my degree is not in law, my day-to-day work has given me practical knowledge of Luxembourg corporate law formalities and structures. I am currently studying for the CFA.

I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation is involved. As a non-EU national I would need Gen II's support for a Luxembourg work authorisation as a cross-border worker. I am available immediately.

I would be glad to discuss my application. Thank you very much for your time and consideration.

Kind regards,

Raman Yadav
