Northern Trust Global Services SE, Luxembourg – Transfer Agency, Oversight Officer (R161032)

Dear Northern Trust Recruitment Team,

I am applying for the Transfer Agency, Oversight Officer position in Luxembourg. I started in transfer agency at UBS, processing investor dealing and checking the outputs before they reached investors, and supporting the oversight of delegated TA activities, from KPI reviews and control testing to governance minutes and remediation follow-up, is the next step I would like to take.

At UBS Fund Administration Services I worked in private assets transfer agency and investor services. I set up more than 150 investor records in the CRM during the Credit Suisse and UBS migration, processed subscriptions, redemptions, capital calls and distributions for private equity and real estate funds, and prepared and validated more than 100 Partners' Capital Account statements and capital activity notices against fund offering documents. That work showed me how dealing, registration and investor services connect and where errors tend to appear.

The governance side of the role is part of my current internship at Triton Investments Management SARL, where I draft board minutes and coordinate the post-board sign-off of annual accounts across a large portfolio of Luxembourg entities, keeping action lists up to date and following up until every item is closed. I also built an AI tool, now used daily by the whole team, that compiles, converts and files governance documents in one run. At Arendt Regulatory & Consulting I performed AML/KYC checks and PEP screenings on more than 50 investors and contributed to SARA, Arendt's AML/CTF risk-assessment tool, and at AManco, Arendt's AIFM, I supported AIFMD Annex IV regulatory reporting and coordinated with service providers for eight institutional clients.

I hold a Master in Management (Grande École) from EDHEC Business School, graduated in November 2025, and a Bachelor of Technology from the Indian Institute of Technology. I am fluent in English with beginner French and German, and I am available immediately. I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation or visa from abroad is involved. As a non-EU national I would need Northern Trust's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
