Utmost Luxembourg S.A. – Policy Administration Officer

Dear Utmost Talent Acquisition Team,

I am applying for the Policy Administration Officer position in Findel. Processing client instructions accurately, handling transfers of financial instruments, applying Luxembourg AML rules and keeping a high service level for clients is close to what I did during my internships in Luxembourg's fund industry, and I would like to bring that experience to the insurance-based wealth solutions you offer.

At UBS Fund Administration Services I worked in private assets transfer agency and investor services. I set up more than 150 investor records in the CRM during the Credit Suisse and UBS migration, processed subscriptions, redemptions, capital calls and distributions for private equity and real estate funds, and validated more than 100 Partners' Capital Account statements and capital activity notices before they went to investors. That work taught me to follow procedures closely and to explain clearly to clients and colleagues what had been done and why.

At Arendt Regulatory & Consulting I performed AML/KYC checks and PEP screenings on more than 50 individual and institutional investors under Luxembourg AML law and escalated high-risk entities for review, and I contributed to SARA, Arendt's AML/CTF risk-assessment tool, which cut review time by 40%. In my current internship at Triton Investments Management SARL I coordinate the post-board sign-off of annual accounts across a large portfolio of Luxembourg entities, following up with each party until deadlines are met, and built an AI tool that the whole team now uses daily to compile and file governance documents.

I hold a Master in Management (Grande École) from EDHEC Business School, graduated in November 2025, and a Bachelor of Technology from the Indian Institute of Technology. I work at an advanced level in MS Office. I am fluent in English with beginner French and German, and I am available immediately. I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation or visa from abroad is involved. As a non-EU national I would need Utmost's support for a Luxembourg work authorisation as a cross-border worker. I applied today to your Performance Measurement Officer role as well and would be glad to be considered for either.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
