**Vistra Fund Management S.A., Luxembourg – AML/KYC Officer (AIFM)**

Dear Vistra Talent Acquisition Team,

I am applying for the AML/KYC Officer position supporting the Portfolio Management function of Vistra's AIFM. AML/CTF controls on investors and counterparties, and the oversight work an AIFM carries out under CSSF Circular 18/698, are what I have worked on in Luxembourg, and I would like to apply them to asset due diligence and ongoing monitoring at the portfolio level.

At Arendt Regulatory & Consulting I performed AML/KYC checks and PEP screenings on more than 50 individual and institutional investors under Luxembourg requirements, escalated high-risk entities for review and contributed to SARA, Arendt's AML/CTF risk-assessment tool, which cut review time by 40%. At AManco, Arendt's AIFM, I supported AIFMD Annex IV regulatory reporting and coordinated with service providers for eight institutional clients, so I have seen how an AIFM documents its controls and oversees its delegates.

At UBS Fund Administration Services I set up more than 150 investor records during the Credit Suisse and UBS migration and processed capital calls and distributions for private equity and real estate funds, checking each against fund offering documents. In my current internship at Triton Investments Management SARL, a private equity firm, I coordinate the post-board sign-off of annual accounts across a large portfolio of Luxembourg entities and keep the related records and action lists complete, and I built an AI tool, now used daily by the whole team, that compiles, converts and files governance documents in one run. I can draft procedures and reports in plain English.

The posting asks for two to three years of experience. Mine comes from about two and a half years of internships at a private equity firm, a fund administrator, a consultancy and an AIFM. I hold a Master in Management (Grande École) from EDHEC Business School, graduated in November 2025, and a Bachelor of Technology from the Indian Institute of Technology. I am fluent in English with beginner French and German, and I am available immediately. I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation or visa from abroad is involved. As a non-EU national I would need Vistra's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
