Vistra Fund Management S.A., Luxembourg – Portfolio Management Officer

Dear Vistra Talent Acquisition Team,

I am applying for the Portfolio Management Officer position in Luxembourg. Reviewing portfolio-level transactions, monitoring delegated portfolio managers and minuting investment committees for real estate, private equity and debt funds brings together the AIFM, private assets and governance work I have done in my Luxembourg internships, and I would like to build on it in Vistra's third-party AIFM.

At AManco, Arendt's AIFM, I supported AIFMD Annex IV regulatory reporting and valuation reporting and coordinated with service providers for eight institutional clients, so I know how an AIFM oversees its delegates and reports to its board. At UBS Fund Administration Services I processed subscriptions, redemptions, capital calls and distributions for private equity and real estate funds and validated more than 100 Partners' Capital Account statements and capital activity notices against fund offering documents, which taught me to check figures against the documents that govern them.

The governance side of the role is my current internship at Triton Investments Management SARL, a private equity firm, where I draft board minutes and coordinate the post-board sign-off of annual accounts across a large portfolio of Luxembourg entities, keeping action lists and logs up to date and following up until every item is closed. I have also handled the incorporation of more than 15 Luxembourg entities and built an AI tool, now used daily by the whole team, that compiles, converts and files governance documents in one run. At Arendt Regulatory & Consulting I performed AML/KYC checks and PEP screenings on more than 50 investors, which helps when reviewing AML/KYC findings on delegates.

The posting asks for two years in a Luxembourg financial services company. My Luxembourg experience comes from about two and a half years of internships at a private equity firm, a fund administrator, a consultancy and an AIFM. I hold a Master in Management (Grande École) from EDHEC Business School, graduated in November 2025, and a Bachelor of Technology from the Indian Institute of Technology. I am fluent in English with beginner French and German, and I am available immediately. I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation or visa from abroad is involved. As a non-EU national I would need Vistra's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
