Subject: Application for Onboarding and Client Services Officer (AIFM)

Dear Hiring Team,

I am applying for the Onboarding and Client Services Officer position in Vistra's AIFM in Luxembourg. Coordinating documents and agreements between clients and internal teams, collecting AML/KYC and keeping governance on schedule is close to what I do today, and I would like to take ownership of it within your Onboarding and Fund Distribution and Marketing team.

In the corporate governance team at Triton, I coordinate between the legal, finance and controlling teams and external notaries. I have handled the end-to-end incorporation of more than 15 Luxembourg entities, including their RCS filings, and I draft board minutes and coordinate the DocuSign sign-off of annual accounts across a large portfolio of entities. I also built an AI automation tool that compiles, converts and files governance documents in one run, which the whole team now uses daily.

At Arendt Regulatory & Consulting I performed AML/KYC checks and PEP screenings on more than 50 investors and helped implement SARA, the firm's AML/CTF risk-assessment tool. At UBS Fund Administration Services I set up more than 150 investor records during the Credit Suisse migration and validated capital account statements against fund offering documents, and at AManco, an AIFM, I worked with eight institutional clients and presented to the Investment Committee, which showed me how AIFM functions review fund documents such as LPAs and PPMs. Altogether I have around 2.5 years of experience in the Luxembourg fund industry.

I hold a Master in Management (Grande École) from EDHEC Business School (graduated November 2025) and a Bachelor of Technology from the Indian Institute of Technology, and I am currently studying for the CFA. My experience is shorter than the three to five years your posting mentions, but it has covered each part of the onboarding cycle, from documents and KYC to committee reporting.

I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation is involved. As a non-EU national I would need Vistra's support for a Luxembourg work authorisation as a cross-border worker. I am available immediately.

I would be glad to discuss my application. Thank you very much for your time and consideration.

Kind regards,

Raman Yadav
