Gen II Fund Services (Luxembourg) – Officer 1 – Client Services

Dear Gen II Recruitment Team,

I am applying for the Officer 1 – Client Services position in your Luxembourg office. Day-to-day administration of private equity and real estate funds, SPVs and their management companies, from company secretarial work and RCS filings to investor records and capital calls, is exactly the work I have been doing and want to keep building on.

In my current internship at Triton Investments Management SARL, a private equity firm, I draft board minutes for routine meetings and coordinate post-board DocuSign sign-off of annual accounts across a large portfolio of Luxembourg entities. I also handled the end-to-end incorporation of more than 15 Luxembourg entities with notaries and the controlling and finance teams, and managed the related RCS filings. To speed up this work, I built an AI tool, now used daily by the whole team, that compiles, converts and files governance documents in one run.

At UBS Fund Administration Services I worked as a transfer agent for private equity and real estate funds. I processed subscriptions, redemptions, capital calls and distributions, set up more than 150 investor records in UBS's CRM during the Credit Suisse–UBS migration, and prepared and validated more than 100 Partners' Capital Account statements and capital activity notices against fund offering documents. At AManco, Arendt's AIFM, I monitored five funds and produced quarterly portfolio and valuation reports for the Board, and at Arendt Regulatory & Consulting I performed AML/KYC checks and PEP screenings on more than 50 investors.

I hold a Master in Management (Grande École) from EDHEC Business School and a Bachelor of Technology from the Indian Institute of Technology, and I am studying for CFA Level I. I have about two and a half years of experience from internships at a private equity firm, a fund administrator, a consultancy and an AIFM. I am organised with my own pending tasks, comfortable attending client meetings, and fluent in English with beginner French and German. I am available immediately. I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation is involved. As a non-EU national I would need Gen II's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
