Langham Hall Luxembourg – Junior Legal and Transactions Officer

Dear Langham Hall Recruitment Team,

I am applying for the Junior Legal and Transactions Officer position in Luxembourg. Supporting private equity and real estate clients on transactions, incorporations, board and shareholder meetings, minutes, statutory registers and client onboarding is very close to what I do every day in my current role.

At Triton Investments Management SARL, a private equity firm, I work in corporate governance for a large portfolio of Luxembourg entities. I draft board minutes and written resolutions, coordinate post-board DocuSign sign-off of annual accounts, and have handled the end-to-end incorporation of more than 15 Luxembourg entities, liaising with notaries and the controlling and finance teams and managing the related RCS filings. I also designed and built an AI automation tool that compiles, converts and files governance documents in one run; the whole team now uses it daily.

My earlier roles cover the other parts of this position. At Arendt Regulatory & Consulting I performed AML/KYC checks and PEP screenings on more than 50 individual and institutional investors, which is the AML side of client onboarding. At UBS Fund Administration Services I worked as part of the transfer agent team for PE and RE funds, setting up more than 150 investor records and validating more than 100 Partners' Capital Account statements, and at AManco, Arendt's AIFM, I reviewed the legal and financial structure of more than 20 PE, RE and debt deals for the Investment Committee.

I hold a Master in Management (Grande École) from EDHEC Business School and a Bachelor of Technology from the Indian Institute of Technology. I am fluent in English, with beginner French and German. I live in Thionville and already work in Luxembourg; as a non-EU national I would need Langham Hall's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
