Nomura Bank (Luxembourg) S.A. – Fund Legal – Company Secretary, Governance & Corporate Administration Officer – CDI

Dear Nomura Recruitment Team,

I am applying for the Company Secretary, Governance & Corporate Administration Officer position in your Fund Legal Department. Organising board meetings, collecting and drafting the documentation, getting it signed and filed, and keeping governance records in order is the work I do every day, and I would like to bring it to a bank-owned team that also handles fund set-ups, restructurings and terminations.

At Triton Partners in Luxembourg I work in Corporate Governance for a large portfolio of Luxembourg entities. I prepare board packs, minutes and written resolutions, coordinate sign-offs with directors, auditors, law firms and banks through DocuSign, and keep the signed originals and registers up to date. I handled the end-to-end incorporation of 15+ Luxembourg entities, liaising with notaries, lawyers and the controlling and finance teams, and managed the related RCS filings. I also designed and built an AI tool, used daily by the team, that compiles, converts and files governance documents in one run, which has made our document database far easier to maintain.

At Arendt Regulatory & Consulting I worked in AML/CTF advisory, performed KYC checks and PEP screenings on more than 50 investors, and contributed to SARA, the firm's AML/CTF risk-assessment tool, which is close to the risk assessments of third-party providers your team performs. At AManco, a EUR 10 billion AIFM, I produced quarterly reports for the Board and supported AIFMD Annex IV regulatory reporting, and at UBS Fund Administration Services I validated more than 100 Partners' Capital Account statements against fund documents. I hold a Master in Management from EDHEC Business School and an engineering degree from IIT; I do not have a law degree, but I work alongside lawyers and notaries daily, and I write precisely in English.

I live in Thionville on a French residence permit and have already worked in Luxembourg during my internships, so no relocation or visa from abroad is involved. As a non-EU national I would need Nomura's support for a Luxembourg work authorisation as a cross-border worker. I am available immediately and would welcome the opportunity to discuss how I could support the Fund Legal team.

Yours sincerely,
Raman Yadav
