RiverBank S.A. – Corporate Governance Officer

Dear RiverBank Recruitment Team,

I am applying for the Corporate Governance Officer position. Organising board and committee meetings, drafting minutes, managing RCS filings and keeping statutory records in order is the core of my current role, and I would be glad to bring it to a fast-growing bank like RiverBank.

In my current internship at Triton Investments Management SARL, a private equity firm, I draft board minutes and coordinate post-board DocuSign sign-off of annual accounts across a large portfolio of Luxembourg entities, working with directors, auditors, law firms and banks. I handled the end-to-end incorporation of more than 15 Luxembourg entities with notaries and the controlling and finance teams, and managed the related RCS filings. To keep up with overlapping statutory deadlines, I built an AI tool, now used daily by the whole team, that compiles, converts and files governance documents in one run, and I drove the team's adoption of Claude, Copilot and Glean while keeping outputs checked and confidential.

Before that I worked in regulated Luxembourg environments. At UBS Fund Administration Services I set up more than 150 investor records in UBS's CRM during the Credit Suisse–UBS migration and validated investor documentation against fund documents. At AManco, Arendt's AIFM, I produced quarterly portfolio and valuation reports for the Board and presented investment recommendations to the Investment Committee, so I know what a board needs from its papers. At Arendt Regulatory & Consulting I performed AML/KYC checks and PEP screenings, which is useful background for UBO and register work.

I hold a Master in Management (Grande École) from EDHEC Business School and a Bachelor of Technology from the Indian Institute of Technology. I have about two and a half years of experience from internships at a private equity firm, a fund administrator, a consultancy and an AIFM; I note you encourage candidates who do not meet every criterion, and I believe my hands-on board and filing work makes up for the shorter tenure. My minute-taking and written English are strong, and I have beginner French and German. I am available immediately. I live in Thionville on a French residence permit and have already worked in Luxembourg, so no relocation is involved. As a non-EU national I would need RiverBank's support for a Luxembourg work authorisation as a cross-border worker.

I would welcome the opportunity to discuss the role.

Yours sincerely,
Raman Yadav
